Recruitment Event 8th April 2019

Cheshire and Merseyside Social Work Teaching Partnership (CMSWTP) held a successful recruitment fayre attracting over 120 attendees on 8th April at the M&S Bank Arena. It provided an opportunity for Social Workers and Social Work students to meet with employers from across CMSWTP, to discover more about the work of the Partnership and for college/sixth form students to meet with HEI's. The event featured three workshops providing tips and advice on completing applications, interview techniques and the ASYE experience. Positive feedback was received with 100% of respondents agreeing that the event was a great opportunity to engage with everyone involved in the Partnership.

"This is a good opportunity to meet the potential employers and find out about the vacancies that are available."

"Thank you all very much for this event. It has alleviated some of the worry regarding employment. It also allowed me to discuss the questions I had about AYSE. Additionally finding out the differences within the local authorities and how they work and what is offered was very useful."

"All the staff were very friendly and supportive. Overall it was a great day and I would recommend the event to future students."

Interface Enterprise Visionary Workshop, 26th April

Following a series of telephone calls between Interface and Workstream Leads, Board Members participated in a thought provoking Visionary Workshop facilitated by Interface Enterprises. The session confirmed that Board Members share the same aims and objectives and we are working together in partnership. The Workshop also highlighted a few additional actions to progress within our Workstreams. Interface followed up the Workshop with a series of telephone calls to other key members of the Partnership, including Principal Social Workers. Interface is due to issue the Interim Evaluation Report by the end of May 2019.

Workplace Supervisor Training Package, 7th May
