

Interested in social work and social care?

Mersey Care
NHS Foundation Trust

Community and Mental Health Services

Then join our Mersey Care team and make a positive impact on the lives of people within our local communities - those with mental ill health, learning disabilities, addictions, brain injuries or any number of physical health problems.

We've a strong belief in investing in our staff, we'll provide support and help you develop throughout your career.

We're currently working with local universities to support social work apprenticeships and social work placements.

Interested in social work and social care?

Mersey Care
NHS Foundation Trust

Community and Mental Health Services

We offer opportunities working at over 200 sites across the North West, close to public transport links from state of the art therapeutic buildings, with flexible working arrangements.

Some of the services that we work in include: forensic, children and young people, children and adolescent mental health, urgent care, safeguarding, specialist learning disability, early intervention, community mental health, Asperger's syndrome, prison in-reach, substance misuse, intermediate care and family work.

If you share our values and have compassion and dedication to support our aim to deliver perfect care, visit Mersey Care's website and our vacancies page
