

Sharing Practice in Education: “Exploring pathways”

	Defining it...	Motivators	
	<p>WHAT: Providing sessions on person centred planning and interviewing and assessing with HEIs.</p> <p>ACCESS TO OPPORTUNITIES:</p> <ul style="list-style-type: none"> • Via known connection in HEI <p>WHY: An interest in going into the teaching field – exploring career pathways.</p>	<ol style="list-style-type: none"> 1. Providing someone who is in practice to connect to students and potential students. 2. Career pathway exploration. 	
Benefits for you...		Benefits for others...	
<ol style="list-style-type: none"> 1. Fosters good relations; positive to have links to HEI leads so know what’s going on, can only find out by being part of things. <p>“...people see it as "lecturing" but if they knew the range of the activity they could do i.e., interviews or small group work they may be more inclined”</p>		<ol style="list-style-type: none"> 1. Employer - Interviews and vetting provide an opportunity to influence the standard of students you ultimately may employ. 2. Students - get a good balance of what it is like on the front line if practitioners are going in. 	
Final Thought			
<p>“CMSWTP works really hard to provide opportunities, but we need to put something back”</p>
